

Jamboree of the Diocese of Rottenburg-Stuttgart in 2018

In the summer of 2018, the Diocese of Rottenburg-Stuttgart will be organizing a Jamboree in the vicinity of Munich, Germany. We would like you to join us in this extraordinary experience. We would like to invite YOU and your scout group to the Hochland Youth Camp in Königsdorf, Germany. Königsdorf is located about 50 km (30 miles) south of Munich. The campsite is surrounded by forests, and the river is Isar nearby. The link to the campsite website is: <http://jugendsiedlung-hochland.de>

The Jamboree will be held from **July 30th – August 9th, 2018.**

Young people of all ages from our diocese will be invited to our Jamboree: children from the age of 6, young people up to the age of 21, and scout leaders as well. We expect around 1200 German scouts, and you can join them!

Together we will try to find out about our "identity of as scouts" – by just being scouts.

For our international scouting guests, we would like to arrange a trip to interesting places such as Munich, Neuschwanstein Castle or the Alps.
